Mass Resistance Movement for a New Parliamentary System

("The Counter Revolution" Leaflet)
An extract from "The Counter Revolution" Edition 34

Mark Shaw

TABLE OF CONTENTS:

- *The Treachery* . . . . . *Page 61*

SUMMARY

21. There is a desperate need for a Mass Resistance Movement to demand a New Parliamentary System which will enact the Principles of National Coherence to save the British people from total destruction by an invasion of Africans and Muslims.

THERE IS A TERRIBLE CRISIS

22. Our islands are being colonised by Africans and Muslims, and we are being replaced.

23. In a few years time the British people will be outnumbered and overwhelmed in their own homeland by African and Muslim migrants. The British people will then be ruled by Africans and Muslims and subjected to **a hell of vicious and violent Anti-White Hate, White Replacement and Non-White Privilege**.

☐ Refer to Section: **"ANTI-WHITE HATE"** *[see page 213]*.

☐ Refer to Section: **"STRATEGIES USED TO CREATE ANTI-WHITE HATE"** *[see page 217]*.

☐ Refer to Section: **"WHITE REPLACEMENT"** *[see page 235]*.

☐ Refer to Section: **"STRATEGIES USED TO BRING ABOUT WHITE REPLACEMENT"** *[see page 245]*.

☐ Refer to Section: **"NON-WHITE PRIVILEGE"** *[see page 403]*.

24. This country was better without the migrants. We must keep our homeland free from invaders. We are fighting for our survival.

25. **The British people did not want the migrants to come to their country.** By an unforgivable treachery many millions of African and Muslim migrants were deliberately and maliciously brought to Britain in accordance with an International Agenda by the corrupt British Ruling Elite (who are controlled by the international SuperRich) in order to cause terminal cultural breakdown and racial conflict (where there had been none before) and to destroy the British people by making them a minority in their own homeland. These migrants were largely adventurers lured almost entirely by the promise of State Benefits. We are being destroyed by a terrible migrant plague unleashed on us by the British Ruling Elite. **The migrants and the true British people are completely incompatible.** We are totally sick of the Anti-White Hate and racist attacks on us by the British Ruling Elite, and sick of sullen, racist hostility from parasitic migrants who are waiting to take over our country and rule us. They had a chance of living with us as one society; every attempt has been made to accommodate them, but all they want is separation and domination over us. That culture will never change, particularly since it is being actively encouraged by the British Ruling Elite, and it is completely and utterly unacceptable. Enough is enough. **No room in Britain for savages, or religious oppressors and colonisers who hate us and want to rule us and enslave us.** The only solution to this situation is to permanently divide the two cultures from each other.

26. **WE WILL NOT GO INTO SLAVERY PEACEABLY**.

27. Vivat Britannia

EMERGENCY REFORMS ARE NEEDED

28. The reforms of the **Principles of National Coherence** under "The Counter Revolution" will stop the Invasion and repair the damage. They are the only way for the British people to avoid being ruled by Africans and Muslims—**THERE IS NO ALTERNATIVE**.

☐ Refer to Section: "THE PRINCIPLES OF NATIONAL COHERENCE" *[see page 85]*.

29. Even though the migrants were brought to this country under the malicious policies of the corrupt British Ruling Elite (controlled by the SuperRich) to deliberately cause terminal cultural breakdown and racial conflict, and to enslave the British people by making them a minority in their own homeland—they must nevertheless all be treated fairly in accordance with the Universal Spiritual Laws. "The Counter Revolution" holds that in spiritual essence all people have equal worth and value, however, this does not mean that they can all stay in the country with British Citizenship as that would be unfair to the original people of this country who never agreed to the Invasion. **There has to be reconciliation between these two issues**. Most of the migrants must therefore leave the country, but they must have conditions provided for them in another country which are reasonably equivalent to the conditions they were given in this country.

☐ Refer to Section: "THE MODERN CATECHISM" *[see page 1195]*.

30. The aims of the Principles of National Coherence are as follows:

(1) To remove virtually all migrants from the country—at whatever financial cost.

(2) To build a culturally united country once again.

(3) To stop the degeneration and replacement of the British people.

(4) To stop all racial conflict.

31. Key features of the Principles of National Coherence include the following:

(1) **There will be National Coherence.** There will only be one culture and only one officially recognised language (Welsh excepted). All other cultures and languages will be eliminated. British cultural identity, social cohesion and national unity will be paramount. It will be a **COLOUR-BLIND** culture, and race will be made completely irrelevant.

(2) All immigration to Britain (including chain migration) will be stopped **immediately, completely and permanently**.

- The Royal Navy's primary and essential duty will be to **prevent all illegal immigration** by coastal access. They will provide 24 hours

monitoring of the entire coastline with a new heavily armed fleet of very many relatively small but extremely fast boats incorporating equipment for carrying and transporting migrant boats, assisted with a massive use of drones, a comprehensive supporting helicopter service and satellite observation. The Royal Navy will be authorised to use all necessary military and lethal force to achieve this. All migrant boats will be returned and destroyed. No migrants will ever be allowed to land anywhere on British soil.

(3) **Cancellation of British Citizenship.** The British Citizenship of all persons who were granted British Citizenship on or after 1 January 1970 and of **all their children and descendants (even if born in Britain)** and of all their respective current or former marital partners/spouses—will be cancelled, subject to the right to apply for reinstatement. Such persons are referred to as "Citizenship Cancellation Persons".

(4) Only British Citizens will be entitled to receive State Benefits.

(a) All migrants who have had their British Citizenship cancelled will not receive State Benefits.

(b) However, once they have left Britain, many migrants for the rest of their life will receive monthly payments ("Resettlement Payments") equal to the value of Income Support currently payable in Britain.

- Resettlement Payments are the carrot to bring about the removals. The migrant has lost British Citizenship and now no longer receives State Benefits. However, the migrant can once again receive an income but only if they permanently leave the country, for then they will receive Resettlement Payments. **The country will not incur any additional expense with the Resettlement Payments** because such people are anyway receiving such Income Support right now. In any event, for the country to be freed from people who hate us and who are religious colonisers and wish to enslave us, any cost is worthwhile. For otherwise, civil war is inevitable.

(5) A Voluntary Resettlement Scheme will be established for qualifing migrants.

(a) Many millions of migrants who were maliciously brought to this country on the orders of the SuperRich as part of the International Agenda and who had been given British Citizenship between 1 January 1950 and 31 December 2019, will be given the opportunity to be voluntarily resettled out of this country ("the **Voluntary Resettlement Scheme**"). Using Sovereign Money, many Garden Cities of high quality will be constructed outside the UK and each person will be provided with a home there (with legal ownership of the property being transferred to such person) together with lifetime free health care, education facilities and welfare for them and their

families. This will be the largest publicly funded construction scheme ever organised in the history of the country.

☐ Refer to Section: "THE VOLUNTARY RESETTLEMENT SCHEME" *[see page 1225]*.

- A **Sovereign Monetary System** will be introduced (in place of the current "Fractional Reserve Monetary System"), and the monopoly of private banks to create money "out of thin air" and to control the supply of money will be ended. The Bank of England will then create and issue all the money in the country ("Sovereign Money") under the inherent power of the Royal Prerogative, and the Government will not have to pay any interest. Sovereign Money is not digital and operates virtually like Sterling. All Sovereign Money is permanent. There will be no Social Credit system, no record will be kept of usage and usage will not be traceable or trackable. **There will be no National Debt** at all. The CBDC will not operate in Britain as the British Sovereign Monetary System will be introduced instead.

☐ Refer to Section: "A SOVEREIGN MONETARY SYSTEM WILL BE INTRODUCED" *[see page 1435]*.

(b) Instead of applying to use the Voluntary Resettlement Scheme, an entitled migrant may apply for a Resettlement Cash Payment of equivalent value. The Resettlement Cash Payment is only paid when the migrant concerned has left the country.

(6) All Illegal Migrants and mercenaries will be instructed to return to their original country. If they fail to do so they will be treated as prisoners of war, and will be interned for the rest of their lives. They will not receive any State Benefits, all their bank accounts and credit cards will be frozen until they have left the country, their phones will be blocked and unusable, they cannot be employed in Britain, they cannot use the Voluntary Resettlement Scheme. However, they can return to their original countries whenever they wish to do so.

(7) A Citizenship Cancellation Person who is convicted of a serious crime will be treated as an Illegal Migrant.

(8) People who are not British Citizens cannot be employed in Britain without a Work Permit.

(9) Only British Citizens will have voting rights.

(10) Only British Citizens born in Britain with at least one grandparent born in Britain can stand as a candidate in an election.

(11) Hate Crimes will be abolished. All laws, policies, requirements and organisations relating to multiculturalism, "diversity" and racial and cultural quotas will be repealed and/or prohibited.

(12) There will be a new definition of "racism". To shun or demean a person because of their **PHYSICAL** race type will be racist. To criticise or object to a person's behaviour, culture, religion, clothing, language, practices or way of life will **NOT** be racist.

(13) Referring to racial groups or a person's physical race type will be prohibited. British Citizens will be referred to as "British", and never as "White", "Black" or "Asian" etc. Hyphenated race descriptions (such as Asian-British) will be prohibited.

(14) All bodies, events and organisations specifically characterised by race (such as the National Black Police Association), will be illegal and closed down.

(15) British Citizenship will only be granted in very rare circumstances, and it will not be a legal right. Much will depend upon the Applicant being able to show a personal record of past and present acceptance of and alignment with the Principles of Good Citizenship.

☐ Refer to Section: "ENTITLEMENT TO BRITISH CITIZENSHIP" *[see page 1233]*

(16) Activism to promote any of the strategies set out in the "Strategies Used to Create Anti-White Hate" is prohibited.

☐ Refer to Section: "STRATEGIES USED TO CREATE ANTI-WHITE HATE" *[see page 217]*.

☐ Refer to Section: "ACTION TO BE TAKEN AGAINST ANTI-WHITE HATE" *[see page 1245]*.

(17) Activism to promote any of the strategies set out in the "Strategies Used to Bring about White Replacement" is prohibited.

☐ Refer to Section: "STRATEGIES USED TO BRING ABOUT WHITE REPLACEMENT" *[see page 245]*.

☐ Refer to Section: "ACTION TO BE TAKEN AGAINST WHITE REPLACEMENT" *[see page 1251]*.

(18) **The Culture of Islamic Conquest will be eradicated in Britain.** The Culture of Islamic Conquest attempts to militarise and politicise Islam and to exploit all good true Muslims to promote its ambitions of imperialism, colonialism and domination. The Culture of Islamic Conquest in Britain will be eradicated. Islam in Britain will be freed from the Culture of Islamic

Conquest, and be made merely a personal and private faith **without any outer political, military or cultural aspects**, as is the case with the other world religions in Britain.

(a) Any person who promotes the Culture of Islamic Conquest will lose their British Citizenship and be treated thenceforth as an Illegal Migrant, all their bank accounts and credit cards will be frozen until they have left the country and they will lose all entitlement to State Benefits.

(b) If any Muslim is unhappy with the arrangements for the eradication of the Culture of Islamic Conquest and does not wish to remain part of British society, they are free to leave the country and move to a Muslim country of their choice. We do not want you.

32. Britain will unilaterally withdraw from all international treaties and arrangements, and all international "law" which in any way limit Britain's ability to put into effect any part of the provisions of Total Revolution.

33. Any person who describes National Coherence or the Principles of National Coherence as "racist" or with the use of any other Hate Words will automatically be deemed to be a Collaborator and will be barred from all Key Employment Positions.

☐ Refer to Section: **"HATE WORDS OF INTIMIDATION"** *[see page 289]*.

☐ Refer to Section: **"COLLABORATORS WILL BE BARRED FROM ALL KEY EMPLOYMENT POSITIONS"** *[see page 107]*.

THE INTERNATIONAL AGENDA

34. This invasion by Africans and Muslims is a key aspect of an International Agenda being deliberately imposed on British people by the corrupt and controlled British Ruling Elite.

35. **The International Agenda.** There is an International Agenda that works to establish a world-wide totalitarian dictatorship ("Global Tyranny").

☐ Refer to Section: "THE INTERNATIONAL AGENDA" *[see page 157]*.

36. The master-mind and driving force behind the International Agenda is a predatory and parasitic international grouping that has infested humanity for very many years. "The Counter Revolution" refers to this evil international grouping as the "**Dark Force**". It is sometimes referred to as the "Cult" or the "Cabal".

☐ Refer to Section: "THE DARK FORCE" *[see page 173]*.

37. The Dark Force and its Collaborators possess phenomenal and historically unprecedented wealth and have obtained complete control of the British Ruling Elite by bribery, blackmail and intimidation.

38. Global Tyranny has the following features:

(1) The establishment of a world-wide dictatorship controlled by self-appointed international rulers.

(2) The destruction of all nation states and all democracy.

(3) The destruction of all present civilisation (particularly white civilisation) with the annihilation of all existing social and economic conditions.

(4) The control of all economies in the world, all global finance, all global energy, all global resources and all global property.

(5) The total control of all human beings in the world, with the complete elimination of all individual self-determination (the Infrastructure of Slavery).

☐ Refer to Section: "GLOBAL TYRANNY" *[see page 551]*.

39. **The International Agenda has two key aims**—(1) the degeneration, dumbing down and replacement of the white race, with total collapse of their countries and (2) the imposition of the Infrastructure of Slavery on the whole of humanity.

(1) **The degeneration, dumbing down and replacement of the white race**. This has been done by the following processes. Massive and devastating foreign invasions by millions of Africans and Muslims designed to make white people a minority in their own land and to hand the British people over

to Muslim control. Importing a private army of illegal military-age male **African and Muslim mercenaries** to enable the British Ruling Elite to enforce the International Agenda on the British people. Deliberately creating racial conflict and hate (where there had been none before) to cause social breakdown by destroying British cultural identity, social cohesion and national unity. A malicious anti-white definition of "racism". Anti-White Hate, Malicious Casting of white people in Broadcasting, Non-White Privilege, anti-white Hate Crimes and racial discrimination against white people. Removal of white people from employment, education, training, the media, advertising, cultural situations and from positions of authority on grounds of race and replacing them with non-whites. Public promotion of racial interbreeding of white people with non-whites. A corrupt education system of political indoctrination and deliberate generational dumbing down of white people. Irretrievable corruption and breakdown of the democratic political system by a corrupt Political Party System and the maintenance of an internationally controlled Uniparty. A vicious coordinated campaign of hate towards white men and white boys. Malicious poisoning of the relationship between white men and white women and the break down of the supportive white family system. Official promotion of filth and depravity with rampant homosexuality, sexual perversion, and the wickedness of gender confusion and transgenderism. Coordinated media deception and fake news. Replacement of all existing ethical values with the "Destructive Values". An official terror campaign against free speech and thought. A two-tier anti-white policing and justice system, making white people second class citizens in their own country. Giving everything white people value and treasure a label of accusation. The fraud of “climate change" and Net Zero Carbon. De-industrialising Britain under internationally controlled Monopoly Capitalism. Preventing Spiritual Awareness. Destroying the British nation state, by interdependency, rule by unrepresentative and undemocratic international institutions, and by "International Law". Intentionally provoking and prolonging international and military confrontation and conflict.

(2) **The Infrastructure of Slavery.** To establish Global Tyranny, the Dark Force is setting up international, centralised, digital control systems run by AI which minutely monitor every human being in the world. The Infrastructure of Slavery is technological and will operate automatically and autonomously by AI without due process or appeal. Key to the Infrastructure of Slavery is the Digital ID, the Social Credit system, the CBDC and tokenization which will give the Dark Force complete control over every individual's activities and property, by the following:—control of all access to and the use of money; control of all access to and use of the internet; control of all access to and the use of money; control of all access to and use of the internet; control of all access to food and personal supplies; control of all access to health services, public services and transport; mandatory subjection to all medical interventions stipulated by AI systems; neurological controls using the nanotechnology of the COVID 19 "vaccine"; total censorship of all information and opinions; removal of all privacy; the destruction of all free speech; and the elimination of all individual autonomy and self-determination. Tokenization of all assets and property (including private

homes) is a process whereby ownership is replaced with usufruct, which is merely a right to use (as long as the person's behaviour remains "correct"). All British people will require the consent of the Dark Force for all their activity. When the Infrastructure of Slavery is fully in place, it will be virtually impossible for anyone to resist or oppose the ruling elite.

☐ Refer to Section: **"THE GREAT RESET: THE INFRASTRUCTURE OF SLAVERY"** *[see page 581]*.

- With the installation of a Digital ID platform and the Infrastructure of Slavery there will be a fundamental change in civilisation. In our present civilisation we are free to do anything we want to do, unless it is prevented by the law. In this new civilisation of Global Tyranny we will only be allowed to do the things that we have been given explicit permission to do. The fundamental concept of freedom that we have been used to and assume, will be changed completely, irrevocably and permanently.

40. The movement for establishing Global Tyranny has taken different forms over several centuries. The present phase of the movement started in 1776 with the Rothschild-inspired Bavarian Illuminati, and then continued in the form of "Communism" and "Socialism" from the 1840s and the Frankfurt School in the 1920s to 1970s. It now manifests as the **International Agenda** with a carefully coordinated but seemingly unconnected set of initiatives.

41. **The so-called "left-wing" policies are in fact the International Agenda.** The policies of the International Agenda are the so-called "left-wing" policies. They are coordinated and methodical policies of breakdown and disintegration, dressed up in the camouflage of fake Social Equity. On the other hand, virtually all so-called "right-wing" policies are merely feeble ad hoc reactions to the International Agenda, and do not form any coherent stand-alone philosophy on their own. The Left-Right paradigm is simply a sham, and in reality meaningless. The only real issue now is between on the one hand those who promote the International Agenda, and on the other hand those who are resisting and reacting against it.

42. The International Agenda is a long-standing process of deliberate and organised evil which is unprecedented in the known history of humanity.

    (1) The International Agenda is designed to impose darkness upon humanity. It is designed to create hate, conflict and division between individuals and between groups. It is designed to create the deepest fear. It is designed to degenerate all individuals. It is designed to disempower all individuals. It is designed to crush all self-determination of the individual, and prevent any opposition to the ruling elites. It is designed to enslave all humanity with an "Infrastructure of Slavery".

    (2) It is creating a hell on earth to destroy the present civilisation.

(3) It has torn down the structures of decency and humanity which were the crowning glory of British civilisation, and that had been painfully built up over centuries.

(4) The International Agenda is the direct opposite and rejection of all humanity's religious, spiritual and moral teachings and in particular the Universal Spiritual Laws. It is a phenomenon of astonishing wickedness.

☐ Refer to Section: "UNIVERSAL SPIRITUAL LAWS" *[see page 1775]*.

(5) The International Agenda is sourced and empowered cosmically and interdimensionally.

(6) The poisonous influence of the Frankfurt School (who were Jewish) is behind virtually all of the International Agenda.

43. In Britain, the International Agenda has been implemented on behalf of the Dark Force by certain immensely rich international Collaborators ("the **SuperRich**"). The SuperRich include such people as the Rothschilds, the Rockefellers, George Soros and Bill Gates. A disproportionately large part of the SuperRich are Zionist Jews. The SuperRich play a very major role in advancing the terrible Wave of Evil flooding the world; they are the enemies of humanity. The SuperRich are international terrorists and include some of the most evil people on the Planet. The SuperRich are the agents and public face of the Dark Force. The wealth of the SuperRich is phenomenal and historically unprecedented. The wealth of the SuperRich compared to ordinary people is utterly obscene. **The SuperRich have complete control of the British Ruling Elite by bribery, blackmail and intimidation** using their vast financial and corporate power, and the International Agenda has been implemented by the controlled British Ruling Elite on behalf of the SuperRich. No political action can be taken against the SuperRich as they control the House of Commons through their control of the corrupt Political Party System, and no one can speak against them as they control the media and all significant Internet and social media platforms such as Disqus, X, Facebook, and Google which censor all opinion formers, and the British Ruling Elite have introduced State censorship. While the SuperRich have this immense wealth the International Agenda cannot be stopped because no reforms can be introduced to counter it.

- It is a key policy of Total Revolution that the wealth, power and influence of the SuperRich will be permanently destroyed.

☐ Refer to Section: "THE WEALTH, POWER AND INFLUENCE OF THE SUPERRICH WILL BE PERMANENTLY DESTROYED" *[see page 1075]*.

44. **Crucial destructive role of the British Ruling Elite.** None of the deliberate degeneration and destruction caused by the International Agenda in Britain would have been possible without the active and willing support and assistance of the controlled British Ruling Elite, and they would not have been able to do it without total contol of Broadcasting.

WE WILL NOT GO INTO SLAVERY PEACEABLY

45. We will not be slaves, we would rather die. We do not agree to submit to slavery to comply with a corrupt Constitution or a corrupt ruling elite or a corrupt legal system. If the British Government and British Ruling Elite try to impose Global Tyranny on us, then they will be resisted with every power at our disposal.

46. **Extinction of British civilisation.** The British people have played a very positive role in the world. They ended the rampant slavery among the native peoples throughout the whole of their empire (although Muslim countries continued with their cultures of slavery); the Royal Navy ended the pernicious activities of the Muslim slave ships; unilaterally they voluntarily gave up the whole of their empire leaving the native countries with existing infrastructure, judicial systems and political systems. They were a moral force and an international example for decency, tolerance, justice, administrative integrity and political structures which they exported to very many countries. The true British people are morally enlightened and these principles of decency, tolerance, justice, administrative integrity and political fairness are deeply ingrained in their character. **However, the British people now face their greatest danger for 1000 years.** This danger is greater than the Spanish Armada, the Napoleonic Wars or the Second World War. The greatest ever danger facing the British people and nation is the Invasion of these islands by millions of Africans and Muslims facilitated and organised by the British Ruling Elite, together with the Anti-White Hate, White Replacement and Non-White Privilege legalised and coordinated by the British Ruling Elite. The Dark Force knew that they could not impose Global Tyranny because they could not overcome these enlightened characteristics of the British people—so they had to degenerate the British people by imposing the International Agenda on them, and they had to make the British people into a minority in their own country and have migrants in power who the Dark Force could control. **They intend to destroy the British people and extinquish British civilisation**.

> *"We must use migration to turn the English people into a minority in England. This will allow us to undermine the identity of the native English and import a new majority that will end the very idea of England. This is critical for globalism to take hold of England."*
>
> *Peter Sutherland, UN Special Representative for International Migration from 2006 to 2017, Chairman of Goldman Sachs from 1995 to 2015, Chairman of the Trilateral Commission (Europe) between 2001-2010.*

47. The white race seems to include increasing numbers of highly intelligent and self-motivated people who are dissatisfied with organised religion—and are seeking individual Spiritual Awareness and direct attunement with their Higher Self (the "Spiritual Destiny of Humanity"). This is happening through the aspirations of very ordinary, decent white people in their private lives. This process tends to make such a person have expanded consciousness, be independent-minded with greater strength of character and have very strong, inner-driven and highly tuned value systems of genuine universal moral ideals; accordingly they are **more resistant to the official lies and brainwashing.** This makes them particularly dangerous to the

Dark Force (and their controllers) and so the International Agenda has instituted mass immigration into white countries, with very intense Anti-White Hate, White Replacement and Non-White Privilege to cripple the white race and extinguish their countries.

- We demand the right to our own spiritual freedom without being oppressed by the hate, fanatical intolerance, ignorance, bullying and narrow-minded bigotry of foreign invaders.

(1) Spiritual Awareness is the most effective way of building long-term resistance to all the propaganda, lies, deceit, brainwashing and degeneracy spread by the International Agenda.

☐ Refer to Section: **"THE IMPORTANCE OF SPIRITUAL AWARENESS FOR COUNTERACTING THE INTERNATIONAL AGENDA"** *[see page 151]*.

(2) Spiritual Awareness is not linked with any particular religion—but is at the root of all religions.

48. **Our beautiful country has always been a white country**, and under "The Counter Revolution" it will stay a white country. White people are entitled to enjoy their own culture, heritage, history, values, traditions and way of life, free from racist hatred and violence from other races and cultures. **If anyone does not like us or our culture, they are free to leave the country**, and we hope they will. We do not want you.

- British people are commonly described as "white" people. Although too long established to change, this expression is disgusting and demeaning. Only albinos are white. In fact, "white" people are usually a beautiful pale rose or light tan in colour. The correct description of British people is as "European" people.

49. **WE WILL NOT GO INTO SLAVERY PEACEABLY**.

50. **A message for the British Ruling Elite.** You are Collaborators controlled by the SuperRich and working for foreign interests. We have absolute and total contempt for you and your broadcasters. Your opinions about us are of no importance to us. You can use whatever Hate Words you want against us—but **we will not listen to anything you or your broadcasters say**, because you and they are degenerate, deceitful and worthless creatures.

☐ Refer to Section: **"HATE WORDS OF INTIMIDATION"** *[see page 289]*.

51. **Treason.** The politicians, senior administrators and other Collaborators and relevant members of the British Ruling Elite who at any time over the last 60 years have performed a leading role in implementing the International Agenda and/or the Invasion and/or the private army will be charged with Treason. If found guilty of Treason, **they will be imprisoned for the rest of their remaining lives without**

remission or parole and all their property and assets will be forfeit. It will be no defence that international obligations were involved. These charges and sentences will be retrospective. Those who have financially enabled and assisted the Invasion (including the international SuperRich) will also be charged with Treason and if found guilty will receive the same sentences. This is enforceable worldwide as a World Crime. This is a Directly Enforceable Offence, so any British Citizen can make an independent, personal and direct application to the Direct Enforcement Court for enforcement.

THE BRITISH CONSTITUTION HAS IRRETRIEVABLY BROKEN DOWN

52. **The Treachery.** By forcing the International Agenda on the British people with unforgivable treachery, the British Ruling Elite on the instructions of the Dark Force have **deliberately and intentionally** caused Britain to descend to unprecedented depths of filth, corruption, decadence, degeneration, division and racial conflict. This Treachery is a fundamental and terminal breach of the Social Contract.

☐ Refer to Section: "THE TREACHERY" *[see page 61]*.

53. **The Treachery will never be forgotten or forgiven.** Since the activities of the Crown, Government and Parliament were to advance the International Agenda and were not for the benefit of the British people, the Social Contract is broken. As a result the Crown, Government and Parliament have ceased to have legitimacy, legality and authority and **they have ceased to have any right to exist or exercise power**.

"If a regime is immoral, its subjects are free from all obligations to it."

Aleksandr Solzhenitsyn

54. **The Social Contract is broken.** The Social Contract provides that the Crown, Government and Parliament only have power when they are acting in the interests of the British people. The Treachery by the Crown, Government and Parliament in forcing on the British people the filth of the International Agenda and the vast immigration of Africans and Muslims was not for the benefit of the British people, and so accordingly the Social Contract has been broken. Since the Social Contract is broken the Crown, Government and Parliament have ceased to have legitimacy, legality and authority and they have **ceased to have any right to exist or exercise power**. The British Constitution has therefore broken down irretrievably.

- **The Social Contract is Natural Law.** The Social Contract has always been assumed by the British people even though it has never been written down in statute, as the British Constitution is unwritten. Judges can adjudicate on laws, but the Social Contract goes beyond the jurisdiction of Judges as it is **Natural Law**—the foundation upon which laws depend for their legitimacy.

55. The British Ruling Elite have total power over the country because they have monopoly control of the House of Commons by means of the corrupt **Political Party System**.

- **The corrupt Political Party System.** The political process is corrupt to its core because of the Political Party System. The SuperRich completely control all significant political parties. Through their control of political parties, the SuperRich ensure that every significant party supports and promotes the International Agenda—so there is a Uniparty. MPs have no life outside their political party, because MPs are totally controlled by their political party with

the threat of deselection, which automatically means their oblivion. This corrupt system therefore ensures that constituents have no say in how MPs vote. The Political Party System causes a complete disconnect between rulers and people. **By the very existence of the Political Party System, the SuperRich completely control the whole of the political agenda**. The Political Party System enables the Few to control the many, and then the SuperRich control the Few. The Political Party System destroys democracy and prevents any conventional and democratic opposition to the Uniparty. This is why mass immigration has never been stopped over all the years.

☐ Refer to Section: **"THE CORRUPT POLITICAL PARTY SYSTEM PREVENTS ANY TRUE DEMOCRACY"** *[see page 391]*.

56. The British Ruling Elite are too corrupted and tainted by the old system, so there cannot now be any significant reforms in the country unless this blight and poison is **permanently removed from all power, authority and influence** in the country.

57. It is quite clear that this highly privileged, weak, self-indulgent and degenerate ruling elite (the toxic product of 40 years brainwashing in higher education) will throw away the whole of civilisation and allow the degeneration, replacement and enslavement of the British people, unless there is massive insurrection whereby these disgusting people are **permanently removed from all power, authority and influence**.

THE REFORMS OF TOTAL REVOLUTION

58. "The Counter Revolution" sets out a detailed blueprint for rebuilding Britain. This blueprint is referred to as "Total Revolution".

☐ Refer to Section: "THE NATURE OF TOTAL REVOLUTION" *[see page 73]*.

(1) **The purpose of Total Revolution.** Total Revolution is designed to build structures in society of stability, safety and personal freedom that will allow all individuals to develop Spiritual Awareness in their own preferred choice of religious/spiritual movement and at their own speed. This includes the total and permanent elimination of the evil of the International Agenda.

(2) **Principles of Total Revolution:** There will be constitutional reforms installing Direct Democracy with a **New Parliamentary System** which will fundamentally and permanently transfer real power from the controlled and corrupt British Ruling Elite to individual British Citizens as constituents. The **Principles of National Coherence** which will stop all migration and build National Coherence with a Voluntary Resettlement Scheme will be mandatory. To counter the International Agenda and the poisonous Destructive Values the **Principles of Good Citizenship** will be mandatory in public functions and operations. Collaborators will be barred from all Key Employment Positions. A Sovereign Monetary System will be installed preventing the CBDC and the Digital ID. The Infrastructure of Slavery will be dismantled. There will be a programme of specific political, electoral, legal, monetary, media, educational and social reforms based on the Universal Spiritual Laws to stop the International Agenda. The individual will be empowered. These reforms will repair the damage caused by the International Agenda and will rebuild British civilisation.

☐ Refer to Section: "THE KEY PRINCIPLES OF TOTAL REVOLUTION" *[see page 75]*.

(a) The Principles of National Coherence will be mandated.

☐ Refer to Section: "THE PRINCIPLES OF NATIONAL COHERENCE" *[see page 85]*.

(b) The Principles of Good Citizenship will be mandated.

- **The Principles of Good Citizenship.** The chief method of applying the International Agenda is to force the Destructive Values (aka political correctness or woke) on the British people. To stop the International Agenda it is necessary to remove all the Destructive Values from public life in Britain. To counteract and remove the Destructive Values, Total Revolution therefore provides a new set of values known as the Principles of Good Citizenship. **The Principles of Good**

Citizenship will be made mandatory in many public functions and operations, including the whole of the British Public Sector, all Key Employment Positions, MPs and all Elected Persons, the media and the National Education System. Binding undertakings to comply with the Principles of Good Citizenship will be required from all relevant individuals in contracts of employment.

☐ Refer to Section: **"THE PRINCIPLES OF GOOD CITIZENSHIP"** *[see page 97]*.

(c) Collaborators will be barred from all Key Employment Positions

☐ Refer to Section: **"COLLABORATORS WILL BE BARRED FROM ALL KEY EMPLOYMENT POSITIONS"** *[see page 107]*.

1) A Collaborator is a person who deliberately assists with implementing the International Agenda. They are the enemies of the British people.

2) Collaborators will be dismissed from all Key Employment Positions and wiill be barred from holding any future elected capacity, employment, position, post or appointment in any Key Employment Position.

3) **Key Employment Positions** are specified capacities, employments, positions, posts and appointments of key power, authority and influence in the country, including the following: Prime Ministers, Government Ministers (as defined); Elected Persons including MPs, Members of a National Assembly, Local Councillors and Police and Crime Commissioners; Judges (as defined); any role with the British Public Sector (as defined); the Bank of England, any Broadcasting Production Organisation, or the National Education System; Muslim clerics and Muslim teaching positions and all officers and administrators in all mosques and Muslim organisations and institutions.

- **British Public Sector.** The "British Public Sector" means all National Government, Local Government, the Civil Service, Government Services and Agencies, the Bank of England, the National Lending Bank, financial authorities, Quangos (Quasi-NGOs or Government funded NGOs and charities), State Monitoring bodies or "Watchdogs", the NHS, the National Education System, the Police, the Armed Services, the Intelligence and Secret Services and all other organisations receiving full or partial public

funding, directly or indirectly, from the British Government.

THE CORRUPT HOUSE OF COMMONS WILL NEVER PASS THESE REFORMS

59. But the present corrupt House of Commons will never pass these reforms—however many elections are held—because MPs are controlled by the corrupt Political Party System, and the British Ruling Elite and SuperRich control the Political Party System and the Uniparty.

60. The monopoly of the British Ruling Elite with their Uniparty and their all-important control of corrupt Broadcasting is too powerful and too skilled to allow truly independent new political parties to gain real power, so the International Agenda cannot be stopped.

- In fact, trying to build up a new political party under the existing political system is worse than useless as this wastes time by giving false hope to people that they should "wait a little longer until the next election" and not take effective action to overturn the existing political system—and all the time the flood of immigration and the International Agenda goes on and on. Time is running out very fast.

> *"We are passed the point at which normal politics can solve the problem."*
>
> *Professor David Betz, Department of War Studies, King's College London*

61. **There must be a totally new strategy.**

62. Control of the House of Commons must be taken away from the corrupt and controlled British Ruling Elite and given directly to British Citizens as constituents. This is Direct Democracy.

63. There must be a New Parliamentary System.

THERE MUST BE A NEW PARLIAMENTARY SYSTEM

64. **New Parliamentary System.** There will be a New Parliamentary System which will have the following features. (1) **The corrupt Political Party System will be abolished**. (2) All the present MPs (of all parties) will be removed and replaced. (3) All MPs in the future will be independents. (4) The Reformed Electoral Provisions will apply to every Parliamentary candidate, and the Provisions Relating to the Conduct of Elected Persons will apply to every MP. (5) **All MPs will have binding contractual duties to their constituents**, and if any MPs break their contractual duties to their constituents, those constituents can legally remove them. Constituents would then be able to insist that their MPs always comply with their election promises. Control over the House of Commons would then pass from the corrupt British Ruling Elite to individual British Citizens as constituents. The power of the SuperRich would be broken. The effect of these constitutional reforms would be more significant than any since the Civil War in the 17th century.

☐ Refer to Section: "**NEW PARLIAMENTARY SYSTEM**" *[see page 981]*.

☐ Refer to Section: "**THE REFORMED ELECTORAL PROVISIONS**" *[see page 991]*.

☐ Refer to Section: "**THE PROVISIONS RELATING TO THE CONDUCT OF ELECTED PERSONS** "*[see page 995]*.

65. For sixty years the British Ruling Elite have ruthlessly ignored the wishes of constituents and have directly caused the present catastrophe. Now constituents would have the power to directly choose their MPs and to decide and enforce the policies they want. Patriotic nationalists could be appointed to the House of Commons. The power of the British Ruling Elite and the SuperRich would be broken. This would be an historic moment, whereby **this filth would finally be removed from power.**

66. **THE KEY DEMAND.** We demand that there is an immediate General Election under the New Parliamentary System.

☐ Refer to Section: "**THERE MUST BE AN IMMEDIATE GENERAL ELECTION UNDER THE NEW PARLIAMENTARY SYSTEM**" *[see page 971]*.

67. The **Principles of National Coherence** must be enacted by the New Parliament as soon as possible.

68. However, the British Ruling Elite will never agree to a General Election under the New Parliamentary System, so there must be a Resistance Movement to bring this about.

THERE MUST BE A MASS RESISTANCE MOVEMENT

69. Serious rebellion against the ruling authorities precipitated Magna Carta, and a Civil War was necessary to bring about the constitutional changes of the 17th Century. The importance of this constitutional crisis matches that of any previous crisis of the British Constitution, and the situation needs special solutions. MPs and members of the House of Lords have been directly instrumental in enabling the Dark Force to destroy our civilisation. They will not be allowed to prevent the process of reform that is needed for the benefit of individual British Citizens. These bought parasites have done enough.

70. **Insurrection will be necessary.** The Treachery committed on the British people by the British Ruling Elite is so terrible and so unforgivable that there must now be a counter revolution. There must be a massive insurrection to bring about a fundamental and permanent transfer of real power from the British Ruling Elite to individual British Citizens by way of revolutionary constitutional change giving real Direct Democracy with a New Parliamentary System.

71. The British Ruling Elite have created for themselves a total monopoly over power and prevent all forms of opposition, so gradual reform within the current system is no longer possible.

72. The British people are therefore left with nothing except direct action, between them and slavery. Massive non-violent civil disobedience outside the law is therefore necessary to demand a General Election under the New Parliamentary System for that will enable the reforms to be put in place. The process of reform can only be initiated from outside the current system.

> *"If a regime is immoral, its subjects are free from all obligations to it."*
>
> *Aleksandr Solzhenitsyn*

73. There is no alternative.

> *"We are passed the point at which normal politics can solve the problem."*
>
> *Professor David Betz, Department of War Studies, King's College London*

74. British Citizens must now form a **Resistance Movement of massive non-violent civil disobedience** (as exemplified by Gandhi and Martin Luther King Jr) to demand an immediate General Election under a New Parliamentary System, under which the corrupt Political Party System is abolished and all MPs are independents contractually bound to their constituents—so the necessary reforms of Total Revolution can be put in place without delay. British Citizens are entitled to act outside the existing corrupt political system, as the Crown, Government and Parliament are in breach of the Social Contract and so have ceased to have any right to exist or exercise power.

- **Direct Action.** There must therefore be a mass march on London by over 3 million people demanding a General Election under the New Parliamentary System. Until this demand is met they will occupy and hold indefinitely Downing Street, the Houses of Parliament, main Government Departments and all media broadcasting outlets.

☐ Refer to Section: **"THE RESISTANCE MOVEMENT"** *[see page 1737]*.

75. **Massive non-violent civil disobedience**

(1) For typical British people, obedience to the law is one of the key pillars of their civilisation. However that belief developed when they thought they were entitled to the Inherent Rights, particularly the Inherent Rights to Self-Determination and Freedom of Speech, and that it was a "free country".

(2) However, the Inherent Rights are now denied and there are ever-increasing powers of repression.

(3) **The Social Contract is broken.** The Social Contract provides that the Crown, Government and Parliament only have power when they are acting in the interests of the British people. The Treachery by the Crown, Government and Parliament in forcing on the British people the filth of the International Agenda and the vast immigration of Africans and Muslims was not for the benefit of the British people, and so accordingly the Social Contract has been broken. Since the Social Contract is broken the Crown, Government and Parliament have ceased to have legitimacy, legality and authority and they have **ceased to have any right to exist or exercise power**. The British Constitution has therefore broken down irretrievably.

(4) Everything the British Ruling Elite do is calculated to promote the International Agenda, and the International Agenda means slavery for the British people. The laws which the British Ruling Elite are using to force the British people into Global Tyranny and the Infrastructure of Slavery are not divine laws, but man-made laws. As the Social Contract has been betrayed causing the British Constitution to be irretrievably broken down, and these man-made laws are designed to enslave them, the British people are not required to obey them.

(5) Accordingly we will not comply with your illegal laws; we will not comply with your illegal police officers; we will not comply with your illegal courts and judges; we will not comply with your illegal penalties and fines; we will not comply with anything you do or say, for you are illegal.

(6) The time for talking is over, there must now be decisive action.

76. **WE WILL NOT GO INTO SLAVERY PEACEABLY**.

THE DANGER OF CIVIL WAR BETWEEN THE BRITISH PEOPLE AND THE BRITISH RULING ELITE

77. Professor David Betz, of the Department of War Studies, King's College London, has warned that the destructive activities of the British Ruling Elite are leading inevitably to a situation in the country where there is a very real possibility of Civil War and total breakdown.

78. **The danger of civil war between the British people and the British Ruling Elite.** If there is no credible mass resistance movement of non-violent civil disobedience with a clear and achievable objective set out, then desperate British people may eventually start a shooting war with the British Ruling Elite.

> *"Those who make peaceful revolution impossible will make violent revolution inevitable."*
>
> *John F Kennedy. Remarks on the first anniversary of the Alliance for Progress, 13 March 1962*

(1) While the corrupt British Ruling Elite stay in monopoly control of all the levers of power in the country this outcome seems to be unstoppable.

(2) The New Parliamentary System based on Direct Democracy and free from the corrupt Political Party System controlled by the SuperRich is the only way that civil war between the British people and the British Ruling Elite can be avoided, for only in that structure can the wishes of constituents prevail.

☐ Refer to Section: **"NEW PARLIAMENTARY SYSTEM"** *[see page 981]*.

79. It will be a monumental, dangerous and historically unprecedented fight by the British people against their own leaders who are betraying them by imposing the International Agenda on them. But it must be fought so we can preserve our civilisation from complete destruction—for the sake of our children and grandchildren.

80. Vivat Britannia
